**Relevant Coursework:** Accounting and Financial Reporting, Microeconomics, Managerial Accounting

## PROFESSIONAL EXPERIENCE

**Fund Launch** | *Fund Management Intern* | Remote

January 2025 – Present

- Completed a 5-week intensive program of video curriculum and bi-weekly personalized training; led fund structure analysis, DCF modeling initiatives, and underwrote hedge fund opportunities, including investment memo (2-pager) creation, while receiving training on managing an investment pipeline through a CRM

**Auspocius Captures** | *Founder/Freelance Photographer* | Sammamish, WA

March 2024 – Present

- Developed and executed tailored photography plans for five clients, including creative concept generation, capturing over 6,000 high-quality photos, and professionally editing more than 3,000 images
- Expanded business through self-designed marketing campaigns, acquiring three new clients, and implementing an internal cost-revenue tracking system to manage project budgets effectively

**TEDxUofW** | *Logistics Team Member* | Seattle, WA

October 2024 – Present

- Lead team engagement initiatives, developing strategic planning in collaboration with the TEDxUofW logistics team
- Photographed 2+ events to aide in organizational marketing and building archives through professional event photography

**Willow Hall Council** | *Director* | Seattle, WA

October 2024 – February 2025

- Direct a 15-member team to elevate residential experience for 500+ students, strategically managing a \$1,500 annual budget while ensuring responsible allocation and strict adherence to spending guidelines
- Craft strategic operational guidelines to optimize limited budget through google sheets, implementing innovative financial planning and streamlined event execution processes
- Facilitate interactive informational sessions and Q&A forums, amplifying resident voices and fostering a transparent, inclusive community environment
- Spearheaded 'Willowgiving', a large-scale networking event that united ~200 students, fostering improved communication and community bonds among residents

## EXTRACURRICULARS

**University of Washington Investment Group** | *Software Sector Analyst* | Seattle, WA

January 2025 – Present

- Develop an understanding of investing in securities from a value institution standpoint, creating DCF models and pitching stocks to maximize portfolio value
- Create a Pitch Deck for Qualcomm, giving an overview, investment theses, catalysts, risks & mitigations, and valuation analysis to encourage the Investment Committee to add this security to our portfolio

**Personal Finance Registered Student Organization** | *Member* | Seattle, WA

October 2024 – Present

- Engaged in biweekly professional development initiatives focused on asset management and financial literacy, while cultivating relationships with 3+ asset management industry experts to gain deeper insights into the field
- Active participation in round table discussions with industry professionals regarding financial topics to deepen industry knowledge in understanding asset management and personal expense management
- Educated 10+ peers on investing a fraction of their income into the stock market, helping them invest in S&P 500 ETFs
