WORK EXPERIENCE:

St. Marks Presbyterian Church, Beachwood Ohio

Administrative Assistant

March 2024-present (Part-Time)

- As the administrative assistant at the church, I communicate with the members, elders, deacons, and pastor to ensure church operations and services run efficiently.
- I collaborate closely with the church accountant to ensure accurate financial records, proper budgeting, and timely processing of all transactions.

Horizon Science Academy High School, Cleveland Ohio

Computer Technician

June 2021- July 2022

- I worked at my high school during the summer, where I replaced computer screens to ensure students had access to learning materials. I also updated computer software to maximize computer functionality.
